Introduction

This document tells you what you need to do to deliver the qualifications:

The GSQ Level 2 Certificate in Hospitality and Catering Principles (Professional Cookery- Indian Cuisine) is a qualification that is either assessed in a workplace or realistic work environment.

The qualification is aimed at learners who work or want to work in the hospitality sector. The purpose is to develop students' knowledge and skills to prepare them for employment and/or career progression in the hospitality sector. It is also for those learners that want a rounded knowledge of both front of house and the kitchen, which will enable them to look at more senior positions in the future.

Candidate Entry Requirements

Candidates should not be entered for a qualification of the same type, content and level as that of a qualification they already hold.

It is recommended that candidates should have a minimum of a level 1 qualification in hospitality. However, experience of working in the industry at the level 2 standard will be adequate to ensure they have the potential to gain the qualification successfully.

It is a requirement that learners have access to a suitably equipped hospitality setting in order to achieve the skills elements of the qualification.

The qualification is suitable for learners of 16 years of age and above.

Qualification Units

To achieve the **HC100-34 Level 2 Certificate in Hospitality and Catering Principles**

(Professional Cookery- Indian Cuisine) learners must achieve **26** credits.

9 credits from the mandatory units

At least 17 credits from Option B

Portfolio of evidence

To achieve this portfolio, you will need to produce a portfolio of evidence to show that you have the knowledge and skills in your chosen qualification. You will need to demonstrate the practical skills required and be observed by a competent tutor/assessor who will support you with evidence collection.

Your knowledge and understanding and practical skills will be assessed using the assessment methods listed below:

- Projects
- Observed work
- Witness statements
- Audio-visual media
- Evidence of prior learning or attainment
- Written questions
- Oral questions
- Assignments
- Case studies
- Professional discussion

Centre Requirements

As a minimum, it is expected that centres seeking approval for this qualification have access to a well-equipped industrial facility which follow all hygiene requirements.

- washing facilities – hand washing, food preparation and washing up
- refrigerator or freezer space
- small and large equipment – it is recommended that centre review the range of equipment requirements against each unit within the qualification.

Centre Staffing

Staff delivering these qualifications must be able to demonstrate that they meet the following occupational expertise requirements. They should:

- be occupationally competent or technically knowledgeable in the area[s] for which they are delivering training and/or have experience of providing training. This knowledge must be to the same level as the training being delivered.
- have recent relevant experience in the specific area they will be assessing and continue to achieve a minimum 30 professional development hours per year
- have credible experience of providing training

Centre staff may undertake more than one role, e.g. tutor and assessor or internal quality assurer, but cannot internally quality assure their own assessments.

Tutors/Assessors and Internal Quality Assurer

Assessor/Internal Quality Assurer qualifications are valued as qualifications for Centre staff, but they are not currently a requirement for the qualifications.

Continual Professional Development (CPD)

Centres must support their staff to ensure that they have a current knowledge of the occupational area, that delivery, mentoring, training, assessment and verification is in line with best practice, and that it takes account of any national or legislative developments.
